

# The Emerald Forest

## **Micro-Weddings & Elopements 2024**

Nestled amongst thirty tranquil acres of our lush wooded private property, The Emerald Forest provides a stunning backdrop for a strikingly serene and cherished micro-wedding or elopement. We are just four miles east of downtown Redmond and fifteen miles east of downtown Seattle.

## **Facilities and Capacity**

Couples may entertain up thirty-five guests maximum for their micro wedding/ elopement. Choose from various ceremony locations throughout the property, including the stage and the theater platform, or find a special spot in the forest. We have many to choose from!

The site includes the outdoor Emerald Forest Theater (the construction was featured on Treehouse Masters in 2018), a stage next to the theater, a spacious 24' yurt, and a 14' tipi. You are welcome to utilize these spaces however you prefer.

Depending on availability you can book a stay in our luxury five-star customer rated treehouse, located on the "residence" side of the pond. The treehouse was built by the world's #1 treehouse builder; Pete Nelson, in 2017. It adds a romantic touch for the evening before or after your ceremony.
